(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)					
Applicant respectfully submits that the application was inappropriately abandoned. The response filled by Applicant on October 21, 2008 was a non-final amendment. A Notice of Non-Compliant Amendment was mailed on June 4, 2009. Since the Applicant's response was non-final, the time period for reply to the Notice should have been extendable under 1.136(a). This option to extend the deadline was also noted by the Examiner on Page 3, Paragraph 6 of the Notice of Non-Compliant Amendment. As such, Applicant respectfully requests that the holding of abandonment be withdrawn and the associated petition fee be refunded.
